BASIC

An affordable option for those who want essential dental care. With 2 cleanings per year, digital X-rays, and a 20% discount on all dental services, this plan provides excellent value for maintaining oral health. It's a great choice for individuals or families who need standard dental coverage without the higher cost.

PREMIUM

The ultimate choice for those who want comprehensive dental care and more frequent cleanings. With 4 cleanings per year, a 25% discount on all dental services, and additional benefits like 50% off sealants and custom bleaching trays, this plan offers superior value. Ideal for individuals and families seeking enhanced dental care with greater savings.
